Mr. F. Moran McConihe
Commissioner, Public Buildings Service
General Services Administration
Washington 25, D. C.

Dear Mr. McConihe:

Reference is made to General Services Administration Circular No. 100, Revised, dated April 2, 1956, subject: "Information on Space Requirements."

It is requested that the Central Intelligence Agency not be required to submit the report for security reasons, since data relative to Central Intelligence Agency space and personnel is classified information.

We will submit our space occupancies and requirements to the Public Buildings Service by informal contact as we have done in the past.

Your approval of this procedure will be appreciated.

Sincerely,

Signed

L. K. White
Deputy Director
